

49th Anniversary of Girl Scout Troops to Be Noted March 12-18

Girl Scout Week, March 12 through March 18, will see local Girl Scouts joining 3 1/2 million girls and adults across the country in observing the 49th anniversary of the founding of the Girl Scouts of the U.S.A.

Major Girl Scout activities and interests are demonstrated in the seven days of Girl Scout Week. The week opens with Girl Scout Sunday (or Girl Scout Sabbath for girls of Jewish faith). Other days are: Homemaking Day (Monday), Citizenship Day (Tuesday), Health and Safety Day (Wednesday), International Friendship Day (Thursday), Arts and Crafts Day (Friday), and Out-of-Doors Day (Saturday).

THE GIRL Scouts' 49th anniversary falls within the three-year cycle of Birthday Years, which begin on Oct. 31, 1960, the 100th birthday of Juliette Low, founder of the Girl Scouts of the U.S.A. The cycle will run through 1962, the organization's 50th anniversary year, and will terminate in October 1963. The Birthday Years theme is "Honor the Past — Serve the Future."

The purpose of Scouting is to help girls develop as happy, resourceful individuals ready to share their abilities as citizens in their homes, communities, country and the world. Every member promises to do her duty to God and country, to help other people at all times, and to live by the Girl Scout Laws.

DURING THE past year, 40,000 girls from seven to seventeen, guided by 15,000 adult leaders, enjoyed Scouting in the Los Angeles Council area, which extends from the harbor to the Valley and from Downey to Brentwood. Three established camps are operated and two additional troop camps are open all year 'round, while during the summer over 50 day camps are supervised by trained volun-

Farm Labor Office Has Job Openings

Experienced stoop laborers are in demand at this time as there are openings in fields for harvesting celery and bunching vegetables. Some openings for nursery workers are being received, according to officials at the farm labor office here.

Strawberry picking will start this week with a heavy need for steady, dependable workers. Only people who expect to stay with the job throughout the season are requested to apply. The work is hard because of the stooped position one must maintain.

The hours of work are long and the pay is not high but working out in the open is pleasant and healthful. Men are preferred in most of these jobs but women are accepted in some of the fields where the work is not too heavy.

Transportation is necessary in all instances. Apply at the Torrance Farm Labor Office located at 1308 Cravens.

Lights Authorized At Broadway, Main

Supervisor Burton W. Chace said yesterday that \$4000 has been authorized for the installation of safety lighting at the intersection of Broadway and Main St. in the Carson area.

Chace said the improvement is necessary because both Broadway and Main are County Master Plan Highways, with a recent traffic survey revealing that approximately 13,000 vehicles cross this arterial intersection daily.

Among spring semester musical highlights at El Camino College will be Madame Alice Ehlers' harpsicord recital, March 10 in the ECC Campus Theater.

Madame Ehlers, an authority on the music of J. S. Bach and on the performance of Baroque music, will be presented at 8:30 p.m. by the Associated Students of the college.

The program, open to the general public, will include an informal lecture on the harpsicord and its repertoire. Following the lecture the artist will give a recital featuring the music of Bach, Handel and the Baroque French Composers.

Madame Ehlers is a native of Vienna, Austria. During early years she studied in Berlin as a student of Albert Schweitzer and Wanda Landowska. In more recent years Madame Ehlers was awarded an honorary degree from
